Putting a sustainable touch on what we create.

As one of the world's leading manufacturers of fastening products, YKK cares deeply about our environmental footprint. That's why our product line includes "small parts" with a big impact on sustainability, such as zippers made from recycled materials, and zippers made from plant-derived materials. YKK - Creating products beneficial to both people and the earth.

YKK London Showroom

The YKK London Showroom, which was inspired by YKK's industrial background, brings its manufacturing expertise to the heart of Shoreditch. The space combines Japanese precision with British fashion. The showroom is an expression of a bespoke concept developed by architect and fashion designer, Kei Kagami. The new YKK Showroom is a first of its kind in the world, and a unique resource for customers, designers, students and freelancers.
